

VIJAYAKUMAR M

Backend Developer | Java & Spring Boot

+91 9171315131 | vijayakumardevforge@gmail.com | linkedin.com/in/vijayakumardevforge
Madurai, Tamil Nadu

PROFESSIONAL SUMMARY

B.Sc Computer Science graduate (2026) with hands-on experience in Java, Spring Boot, and PostgreSQL through backend development projects. Familiar with REST APIs, JWT authentication, and basic backend application development. Interested in improving real-world backend development skills through practical projects and internships.

TECHNICAL SKILLS

Languages: Java, SQL, HTML/CSS

Frameworks & Technologies: Spring Boot, Spring Security, REST APIs

Databases: PostgreSQL

Tools: Git, IntelliJ, Postman

EXPERIENCE

Web Development Intern @ Anjana Infotech

04/2025 - 05/2025 | Virudhunagar

- Completed a 15-day web development internship focused on frontend fundamentals and basic web application concepts.
- Worked with HTML and CSS to support frontend design tasks for training projects.
- Observed and gained exposure to backend integration concepts using Java and Spring Boot.

PROJECTS

Vijay Shop – E-Commerce Backend Application

2026

- Built backend features for an e-commerce application using Java, Spring Boot, and PostgreSQL.
- Implemented JWT-based user authentication and user-specific cart and order functionality.
- Created REST APIs for product, cart, and order management.
- Tested API endpoints using Postman.

EdgeCraft Glass

06/2025 - 09/2025

A web-based platform for customizing and ordering glass products.

- Built the backend for a web application using Java, Spring Boot, and PostgreSQL.
- Implemented backend features for product customization, cart handling, and order management.
- Implemented RESTful APIs for handling user and order data efficiently.
- Integrated the backend seamlessly with front-end HTML/CSS components.

EDUCATION

Bachelor of Science in Computer Science

Rajapalayam Rajus' College | 2023 – 2026 | Virudhunagar

Higher Secondary Education

TNPM Higher Secondary School | 2016 - 2023 | Dhalavaipuram

CERTIFICATIONS

Certificates

- Java Assessment Certification – LearnTube.ai | April 2026
- Spring Basics with Spring Boot – Infosys Springboard | March 2025
